VOLUME XXV

SANTA ANA, CALIFORNIA, SEPTEMBER 23, 1949

NO. 1

Enjoying a "break" between classes in the patio of the new student union are left to right, Ed Nearing, Priscilla Orman, Jackie Hatfield, Johnny White, Harold Sargent, and Phil Beyhan.

## Prexy Evans Welcomes Students

Your Associated Student Board extends to you a cordial welcome to Santa Ana College. May your experience here be helpful in improving your mind and help you to become acquainted with many new students. Friendships made in college become lasting throughout your life, in business, as well as pleasure.

Join in all activities by taking an active part. Show others you have the ability to lead and direct. The experience you will receive here will become beneficial in later years and will never be lost. College life is composed of studies and activities combined. Do your best in both.

Your Associated Student Board has been chosen to direct all of your activities and to set policies in operating student affairs. Know your college. Know your officers. Study your hand book thoroughly and offer your suggestions in improving student life on the campus.

May we all become acquainted and know each other not as strangers but as fellow students attending Santa Ana College with friendship as our motto.

Best of luck this year, gang. See you around the campus.

DAVE EVANS  
A. S. B. President

## Second 'Don Beat' To Be Held In New Student Union Tonight

Tonight marks the second in a series of after game dances held in the Student Union for the Student Body.

Elizabeth Elliott is the dance chairman and selects the records that the students request. If you want your favorite platters at the dance put in your list of favorites in the selection box attached to the Juke-Box in the Student Union.

Over four hundred students and their guests attended last week's after-game dance. The admission is your student body card or 35 cents.

**Jump on the Don Bandwagon!** All of you clarinetters, saxophoners, tromboners, etc. join the band and help us make the flashiest and best band for miles around. We play all the out-of-town games, too. Think of the fame, fun and fancy uniforms, not to mention parades and prizes. If you can play any kind of band instrument, get into the spirit and center of activity and join the Don band.

## STUDENTS ENJOYING NEW UNION

By PAT JOHNSON

It's here.

What, you ask, is here? For the ones who are wondering, the answer is the long awaited new Student Union.

Situated on the west side of the campus, adjacent to the cafeteria, the Union was officially opened to Dons and Donas for the first time, this semester.

As you enter the first thing that you see is the patio gaily decorated with modern new patio furniture (the chairs even rock), and complete with beach umbrellas in various colors.

Continuing on, we find the main room, filled with chairs and tables, snack bar, juke box, and coke machine. At the north side of the room is the door leading to the board office, where the executive board holds their meetings.

Going out into the patio again you see our big lounge with full length windows in the north and south walls. In the lounge are numerous red and green easy chairs and couches, along with card tables placed conveniently around the room.

When lunch time comes, a short walk across the patio, or through the lounge, will bring us to the cafeteria. There we can buy salads, soup, milk, or dinners, as we wish.

Concluding our tour of the union, it is only fitting that we extend a vote of thanks to everyone who had anything to do with the fulfillment of the plans for making the student union what it is.

## Dons Triumph Again

Dons won second victory 31-0 of the season over Santa Monica Corsairs tonight. Feature of the game was a ninety yard dash by Don Balsley for a score of six more points, early in the fourth quarter.

Dons will take on the powerful Pasadena Bulldogs next Friday night, September 30, in the Rose Bowl.

## Letter To El Don From the Director

El Don holds his head proudly, as he begins another year of distinguished service to Santa Ana College. El Don is no longer young, but he has young ideas. Honors have been heaped upon him, but he bears them with grave humility.

I wish to extend my congratulations to the staff of El Don on their first issue and to wish them an interesting, enjoyable and prosperous year.

A college newspaper is a part of the American free press. As such a member, it shares in the Constitutional guarantees assuring freedom, and it shares in the responsibility which all newspapers have to society. In order to deserve the safeguards of freedom, a paper and its staff must be dedicated to honest, accurate reporting, freedom from bias or selfish interests, and a high amount of reading quality. Almost nowhere else in the world is the freedom of the press so carefully protected as in America. The only justification for these elaborate safeguards is in the power of the press to be a common carrier of accurate information to the people.

It is my hope that El Don will continue to be, as it has in the past, one of the best examples of college journalism in the nation.

DANIEL C. McNAUGHTON  
Director

## 804 Students Register At SAC; 453 Freshmen, 251 Sophomores Enroll

Latest registration figures at Santa Ana College for the ensuing fall semester have reached 804, according to Registrar Genevieve Humiston. This figure is an increase of over 10 per cent in comparison with last year's mark of 691 students.

**Counseling Began Early**  
Pre-registration and counseling began August 1, under the supervision and guidance of Genevieve Humiston, registrar. Counsel was given to 813 old and new students during the month of August by Maurice Gerard, dean of men, and Royal C. Marten, head counselor. Counseling during the month of August was also given to former students who planned to transfer to four year colleges this fall.

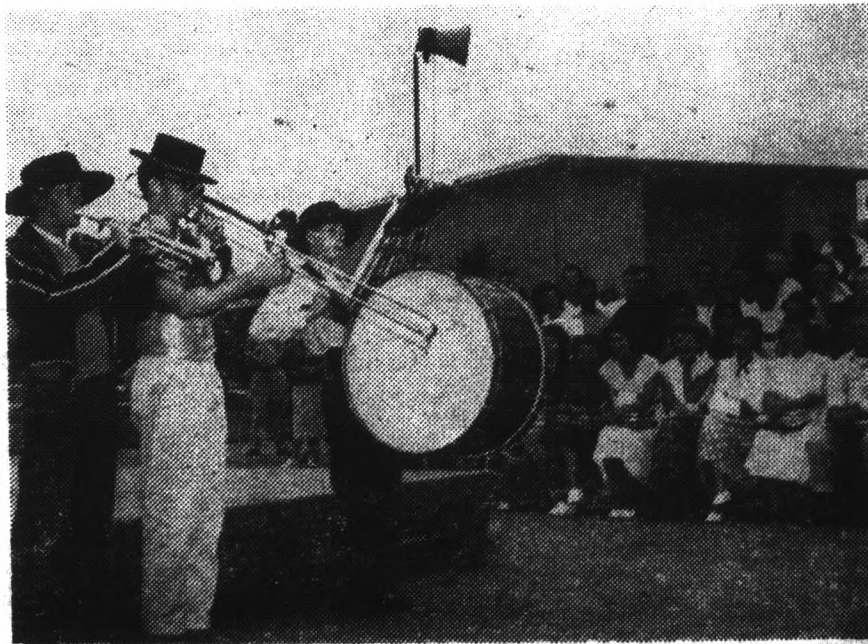

**Freshmen Way Ahead**  
Statistics show that the freshmen outnumber the sophomores 2 to 1. The enrollment figures include 453 freshmen and 251 sophomores. High school specials and

college post graduates compose the other 100 students enrolled here.

**Less Veterans**  
Unlike the increased enrollment in registration the number of veterans has decreased about 2 per cent. Last fall showed 175 attending the college. This year there are 125 cleared, and 25 more soon to be cleared.

**Night School Begins**  
Night school registration was conducted during the current week September 19-23, where early tendencies indicate a great interest in evening school work. No actual attendance figures have yet been released by the dean of the evening division, Stuart Carrier.

Portraying Don spirit at a recent assembly were three members of the SAC band. Left to right are David Borkenhagen, Charles Mar-

## Introducing

Daye Evans, S. A. C. Student Body President, has often been described as the student body president who looks like a student body president ought to look. Follow me? We wonder if that's why he wears that beautiful pair of glasses.

Dave is an excellent example of one of our genuine, "native" Calif-

ornians manufactured in Detroit, Michigan.

While majoring in business, Dave has had his eye on a spot at radio announcing. Since his mother is a writer for radio and television, this radio stuff must run in the family. The most wonderful thing Dave is looking forward to right now, is a trip to England when the good old summer time comes again.

As for the statistics on favoritisms, Dave's favorite band is good, old Glenn Miller, but Stan Kenton will do in a pinch. He admires Frankie Laine's many moods of voice. On his list of sports, swimming and tennis take top billing.

If you haven't met Dave on the campus yet, you have no doubt seen him happily welcoming everyone to the Broadway Theatre downtown where he plays the role of doorman.

\*\*\*

If you've seen a tall, deeply-tanned girl racing around the campus and numbering the glories of anything Santa Ana, you've met one of S.A.C.'s most popular freshmen, Audrey Russell.

Majoring in Secretarial Training, Audrey plans to continue her studies at some four year college. Pomona may be the lucky choice.

Tennis rates as her favorite

sport as far as participation is concerned, but football is the game she likes to watch.

Gracing the top of the list of Audrey's favorite bands is Les Brown and she says that quote: "Howard Duff is the man I love" unquote.

## Santa Ana College Welcomes You

Welcome Freshmen! The El Don greets you in behalf of the associated student body to Santa Ana College life.

During your stay here we hope that you will be impressed by the need of intense study. It won't always be easy, I know, when you are burdened down with work. But just stop to think, it won't be long until we are all dumped out into this cold, dreary world. So, explore your thoughts and delve deep into the books of knowledge set before you. Make the most of our excellent faculty and campus.

But, alas, it isn't all work. You can look forward to a year of fun as well. To the freshmen, we urge you to participate in college activities. These activities include music organizations, service clubs, scholastic honor societies, athletics, campus publications, interest clubs, and activity clubs. Also many social affairs come at various times throughout the year such as your Soph-Frosh dance, club parties, and other social activities.

You will be busy. We bid you welcome and hope you will prosper from your experiences at Santa Ana College.—HRC

## Preview Of New Books In Library

### Campus Capers

By PHYLLIS EHRLER

The first Don Beat of the year was held last Friday night following the Cal-Poly-Don skirmish. Those Dons and Donas attending reported a lot of fun. Students crowding the Student Union floors were Dick Moomaw, Priscilla Orman, Dick Montano, Margie Alexander, Dottie Lee, Rolf Engen, Sharon Carnahan, Dick Adams, Harry Berquist, Bill Craig, Lloyd Thomas, Elizabeth Elliott, Janet Coombs, Frankie Wilde, Bud Halderman, Rita Riggs, Bob Zelinka, Irwin Spector and many more.

Balboa, was packed to capacity last Saturday night when the ever-famous Billy Eckstine made his long-awaited appearance there. A number of Santa Ana College students enjoying that wonderful voice were Paula Doretti, Phil Reilly, Patty Evans, Sammy Palmer, Jack Denny, Bob Leonard, Arlene Wright, Barbara Pappas, and Joan Blair.

Mel Torme will be the featured attraction at Bal this Saturday night, September 24. There ought to be a jumpin' crowd, so see you there.

A new and unique type of party was given last Tuesday night in the home of Pat Johnson. Fortune telling was the big event during the evening. A number of Ex-Donas attending were Anna May Archer, Marjorie Rohne, Eleanor Carter and Josie Rodriguez. A lonely male wandered in during the evening by name of George Baehr.

Official publication of the Associated Student of Santa Ana College, Santa Ana, California. Published weekly during the college year while in session, except the weeks of quarterly and semester examinations, and issued on the college consolidation ticket, the price of which includes \$.50 for subscription to the paper.

All American Honors: 1931, 1932, 1933, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, 1946, 1947, 1948, and 1949.

Among the new books on display in the library are several recent play hits, a book of Sports, and some excellent novels, recently published.

One of the most recent play hits on Broadway is *Death Of a Salesman*, by Arthur Miller. This play has been put into book form, and is now in the library for circulation. No play of recent years has enjoyed anything approaching the popularity and critical success as *Death of a Salesman*.

The play reads as well as it performs, and the end papers, showing Jo Mielzinger's sets, help in visualizing the stage version.

*Sports Page*, by Stanley Woodward, is written not only for those interested in sports, but for all who are fascinated by newspapers.

It will tell you about breaking into the sportswriting business: the writing and editing of a story from press box to copy desk; the art of being a columnist; the special details of how such events as baseball, football, boxing, and all such sports are covered.

*Little Squire Jim* by Robert K. Marshall, is a novel of reality and legend that works magic, with roots as deep in Elizabethan England as in the North Carolina mountains of its setting.

In the cemetery near Crockett's Cove, the Boyden men had been placed since before Andrew Jackson's first term; their tombstones all bore a common inscription—"killed." The little Squire Jim was a Boyden man, and he was also "bound to be killed."

## Personalities

Judged the prettiest twins between the ages of 18 and 25 at the annual Huntington Beach Twin Convention, Joan and Jean Neff are now improving the scenery at S.A.C.

There is fun in being a twin, or so these twins say. People they have never seen before often stop them on the street and begin animated conversations. This goes on until the strangers realize that they are talking with the wrong twin. Joan and Jean think it's fun, but the strangers are invariably humiliated.

Asked if they ever switch dates they grinned impishly and answered "no." Our "why" brought some more grins and the perfectly simple answer that they don't trust each other.

Jean likes earrings and Joan has a mad passion for Dr. Force's lectures on U. S. history. Their favorite sport is watching football and as for pet hates, they have just one. "We can't stand people who pop their gum—probably because we can't do it ourselves."

## Plans For Semester's Activities Outlined By Women's Service Clubs

Eldest of the four women's service clubs on campus is the Spinsters, followed in age by Las Meninas, Las Gitanas, and Piloteers. Spinsters are noted for their activity in campus affairs and sports, while Las Meninas, or "ladies in waiting to the Queen" has their aim to develop a well rounded college co-ed in leadership, social, and scholastic ability. Las Gitanas serve and co-operate in all school activities, and Piloteers assist in the orientation of new students.

### SPINSTERS

Sisterhood of Spinsters, established in 1929, is the oldest of the women's service clubs on campus. Annual big event of the year is the Spinster's Spree, a formal dance for Spinster members and their escorts.

Officers of the Spinsters for this semester are Peggy Humphrey, president; Peggy Ann Tozier, vice-president; Joan Blair, secretary; and Doris Bruce, treasurer. Advisors are Miss Lota Blythe and Mrs. Harry Weatserell.

### PILOTEERS

Youngest of the women's service clubs is the Piloteers, established in 1935. Their main service is to help direct freshmen and act as guides to visitors.

Serving as officers this semester are Norma Rhodes, president; Helen Walker, secretary; and Pat Johnson, treasurer. Advisors for the Piloteers are Miss Frances Egge and Miss Ruth Bradley.

### LAS GITANAS

Las Gitanas was established in 1931 to serve and co-operate in all school and community activities. They sponsor annually the Gypsy Doodle, which is a dance held with a gypsy theme.

This semester's officers are Carmen Perez, president; Mary Lanert, vice-president; Elizabeth Elliott, secretary; Pauline Scott, treasurer; and Marilyn Bell, historian. Mrs. Florence Finley and Mrs. Orville Knutsen are advisors.

### LAS MENINAS

Established in 1930, the goal of Las Meninas is to promote greater friendship among women students. Each year the girls sponsor the May Morning breakfast, to which all the women students are invited. Also, each Christmas Las Meninas hold a tea for their mothers.

Las Meninas officers are Liane Crawford, president; Janet Coombs, secretary; Lesly Condon, treasurer; Jean Gisler, corresponding vice-president. Las Meninas advisors are Miss Marie Pound and Mrs. C. Norman Hicks.

## A Report On Modern Music

By PAT JOHNSON

Since the Petrillo ban on recording has been lifted, there have been more and more records appearing by big name bands and vocalists that have been a decided improvement over the old platter releases.

A few of the newer album releases are Artie Shaw's *Four Star Favorites* and *Volume Four of the King Cole Trio*.

Artie Shaw's album, released under the RCA label, features his "inspired clarinet," which is really a delightful thing to hear on these top notch dance records. He and his band provide pleasant listening on *Frenesi*, *Star Dust*, *Traffic Jam*, *Begin the Beguine*, and *Moonglow*.

The King Cole Trio's album is from the Capitol platter parade. The selections in this album have made their mark on popular music and also in your record collection. This, the latest set of hot smooth jazz, is in the good, familiar manner of Nat "King" Cole and his boys. Piano, guitar, and bass beat it out with *I Used To Love You*, *Yes, Sir, That's My Baby*, and *Bop Kick*.

Some of the recent single releases that have been going round and round on the juke box turntables are from the Broadway Stage and Hollywood movies. One of the many popular tunes from South Pacific is *Dites-moi*, recorded by Hildegard for the Decca label. Her recording, we bet, is about the only single available of the lovely song. She sings it in French and English. Coupled with it is *Raisins and Almonds*, a beautiful old Yiddish lullaby with new English words. The melody is strange and haunting.

Two releases from forthcoming movies are *My Own, My Only, My All* from the Paramount movie. *My Friend Irma*, and *Now That I Need You*, from Paramount's *Red, Hot and Blue*.

## Song Leaders Tryout At Rally

Tryouts for song leaders of the year 1949-50 highlighted the first Pep Assembly of the season which was held on Friday, September 16, but final selection was deferred until after the election held last Wednesday. Girls chosen for the post of song leader were Paula Doretti, Priscilla Orman, and Patti Evans. Marjorie Alexander, Sharon Carnahan, Joanne Johnson, and Rita Riggs provided close competition.

The college band, consisting of three members, aided in the tryouts and, through their demonstration of need, recruited several new players. Director of the band, Robert J. LaMaster, pointed out the opportunities of playing in the college band.

Dave Evans, President of the Student Body, addressed the throng attending the rally and welcomed the new students. Dr. Daniel C. McNaughton, director of the college, extended his welcome in behalf of the faculty members and the administration.

Head yell leader George Billingsley and his assistants, Phil Reilly and Al Fletcher, rehearsed the student body members on yells for the games.

Three of the new women students attending the WAA Tea held September 15 are shown above receiving information on the WAA from Isabelle Rellstab, advisor. Pictured reading their sheets of information are Priscilla Orman, Phyllis Ehrler, and Barbara Pappas.

## WAA Holds Get Acquainted Tea For Incoming Women Students

New women students had an opportunity to meet each other and to become acquainted with the WAA at the annual tea held Thursday, September 15, from 2:30 to 4:30 p. m. in J105. Information about the WAA was given out on cleverly written blue and pink sheets. Music was played as a background and refreshments, consisting of punch and cookies, were served.

An invitation is extended to all women students interested in basketball to come out on Monday and Wednesday afternoons at 3 p. m. starting September 19. Those women interested in tennis are to report Tuesday and Thursday at 3 p. m. starting Tuesday, September 20.

Purpose of the Women's Athletic Association is to build fine friendships, good character, and a sportsmanship which may be applied to everyday life. The WAA also sponsors the athletic schedule and enjoys many social events which include dances, teas, banquets, and other important affairs. All women's athletic activities of the college are carried on through this group.

Officers for the WAA for this semester are Pauline Scott, president; Carmen Perez, vice-president; Chole Barr, secretary; and Peggyann Tozier, historian. Advisor is Miss Isabelle Rellstab.

## Victory Flag Flies When Dons Win

Following athletic victories by Don teams, it is the tradition to display Santa Ana College's red and black Victory Flag on the campus flag pole in token of college spirit and loyalty.

Waving beneath the nation's flag and the California State Flag, the Victory Flag, donated to the college in 1938, is raised on the Monday's following a victorious game.

It remains on the flag pole all week, so a glance at the flag pole will tell the students whether or not the Dons have been victorious.

When you see the white banner with the red and black words "VICTORY—SAC" on it, you'll know the Dons have been in action.

## Evans Takes Over As ASB President

Serving as head of the Associated Students this semester is Dave Evans, student body president. Assisting him are Carl Busdiecker, vice-president; Shirley Johnson, secretary; Bob Gross, treasurer, and George Billingsley, yell leader.

Business of the Associated Students is carried on by the student members of the Executive Board, and the faculty advisor, Maurice H. Gerard, Dean of Men. Four of the student members of the Executive Board are the officers of the Associated Students, namely, president, vice-president, secretary, and treasurer. These officers are elected by the students.

Commissioners appointed by the Executive Board are Commissioners of Mens' Athletics, Assemblies Social Events, Women's Athletics, and Public Relations. Other members of the board include the editors of El Don and Del Ano, presidents of AWS, and WAA, and presidents of the sophomore and freshman classes.

## New Equipment Bought For Mechanics Classes

Among the new equipment on the campus is a cooling system cleaner, used for taking off scale and rust from engines and radiators. This is part of the new machinery that was delivered this summer to the auto mechanics shop under the supervision of Harry E. des Granges.

## AWS Sponsors Tea For Campus Co-eds

Featured at the Associated Women Student's Tea held Wednesday, September 21, in the Student Union, was a game of cards, designed to let the women become acquainted with each other. The package of cards was handed to the guests as they entered, along with a name tag to wear.

A receiving line, composed of June Morse, president of AWS, Mrs. D. C. McNaughton, director's wife, Agness Todd Miller, Dean of Women, Bobbie Lou Currie, president of YWCA, and Pauline Scott, president of WAA, greeted the women as they entered.

Entertainment was provided by Nancy Learned, who played a flute solo; Bonnie Griffin, who sang several selections; and Joan Campbell, who played several piano selections. Refreshments, consisting of punch and cookies, were served.

In charge of the program was Peggyann Tozier, with Janet Siebert handling publicity. Peggy Humphrey assisted by making a poster. Ruth Hopkins directed the card game, and handed out the name tags, assisted by Janet Coombs. In charge of refreshments was Marie Oogjen, assisted by Joan Ames. Miss Aileen Stegall, business administration instructor, poured the punch. Decorations were handled by Helen Walker.

## Cafeteria Reopens For Service; Serves Daily Lunch To Students

Opening day at Santa Ana College's cafeteria brought out a crowd of one hundred and fifty students. The cafeteria, open from 11 a. m. to 1:15 p. m. since September 19, serves lunches on a non profit basis to students.

Staffed by experienced workers and student help, the chief aim of the cafeteria is to serve nutritious and attractive meals at a lost cost. "The cafeteria does not operate on a profit basis, therefore we charge what it has cost us," said Mrs. Doris Yergler, in charge of the cafeteria. "We are here to serve the students as best we can."

New menus are being planned to offer variety, continuing in the low price range. Any suggestions are welcome, said Mrs. Yergler. She said her staff will serve two main dishes, two vegetables, salads and a choice of desserts every day.

Mrs. Yergler remarked that business had increased every day since the large crowd on opening day. She said that an increase of students is expected since the price of meals becomes known.

Computations at the end of the first day of business showed that the average student spent about 48 cents on his cafeteria lunch. "With the cooperation of everyone on the campus, the cafeteria will become even more successful as time goes on," concluded Mrs. Yergler.

## Caldwell Named As Editor of El Don

Hal Caldwell, sophomore, and former El Don Sports Editor, has been named by Carl Venstrom, journalism advisor, as managing editor of El Don for this semester.

Assisting him on the editorial staff will be Pat Johnson, associate editor; Phyllis Ehrler, feature editor; and Paul Tekus, sports page. William Dominguez will handle the photography for El Don assisted by Paul Tekus. Advertising will be handled by Jim Gant.

Reporters are Herman Aguirre, Dean Gautschi, Jane Lindemuth, Chuck Marden, Bill Poulsen, David Smith and Clayton Tillotsen.

El Don is the official publication of the Associated Students of Santa Ana College, and is published weekly during the college session.

## Students Urged To Cast Ballot For Don of the Week

More students are urged to cast their ballots for Don of the Week after each Don football game, whether the game is at home or away. Balloting takes place at Vanderma's Clothing store on Fourth and Sycamore, from Monday to Wednesday after each game.

Voting is for the outstanding individual football player of each game, rather than for a favorite player. This balloting has taken place for a number of years and helps to create an interest toward the Santa Ana College football team.

Townpeople have shown more interest in this contest in recent years.

# Dons Win Cal-Poly Opener 31-13

Getting set for tonight's big game with the powerful Santa Monica 'Corsairs' is the starting lineup of Santa Ana Dons. Left to right they are Leonard, R. E., Leonard, R. T., Spector, R. G., Jankovich, C., Zelinka, L. G., Royer, L. T., Hilario, L. E. In the backfield are Lillywhite, R. H., Kluewer, F., White, Q., and Carmichael, L. H.

## SPORT SHOTS

By PAUL TEKUS

As Carl Valdez put his toe to the football last Friday night King Football ascended the throne in Santa Ana, for another season of the greatest sport here at Santa Ana College. We all hope that this will be one of those seasons to remember, by going all the way. I know that the winning of our first game will give all the fans something to look forward to.

As this is only my first year here, I would like to give you my impression of our first game. It seemed that the game got off to a slow start, but after the Dons found their strength they put it to good use by drawing first blood when White passed to Carmichael who went over for the first of many touchdowns.

Al Carmichael wins all the praise of Santa Ana by being chosen the first Don of the Week for this football season. So to you Al goes all the congratulations of the school. Al really played a great game of football.

If you haven't already noticed it I would like to call the victory flag to your attention. It's flying in its place on the flag pole, and I'm sure that you would like to see it stay up there all throughout the football season, so if you will all get to the games and support the

## Carmichael Chosen Don of the Week

Al Carmichael was chosen Don of the Week, it was announced by Vandermast's last week. Al was chosen for his brilliant playing in the league opener against Cal-Poly.

team I'm sure it will become a permanent fixture at our school.

Right now I would like to congratulate all the members of the team on the way they played last Friday's game. You men did a swell job, and I know I speak for the whole student body when I say that we want you to do the same thing to Santa Monica, and all the other teams you meet.

I would also like to give special notice to Carlos Lillywhite, who came in second in the balloting for the Don of the Week award. Carlos was very close to Carmichael in the voting and he was just as outstanding as Al was. To these two men I want to wish the best for doing a real bang up job in the game.

The Dons may have a little more trouble from Santa Monica than they did from Cal-Poly, but with all the support of the student body I think the game will turn out O.K.

## DONS TAKE FIRST VICTORY OF SEASON FROM CAL-POLY

Sparked by the brilliant playing of first string half-backs Carlos Lillywhite and Al (Hoagy) Carmichael, the Santa Ana Dons defeated Cal Poly of San Dimas 31-13 last Friday night in the Santa Ana Municipal Bowl to open their 1949 football season.

## Dons To Take On Corsairs Tonight

The Dons will take on the Corsairs of Santa Monica tonight for their second game of the season. They showed their strength in last week's tussle by defeating Cal-Poly but the men from Santa Monica may prove to be a harder foe.

With a line averaging a little over 200 pounds per man, the Dons will have their hands full. Santa Monica now has the best team they have ever had since 1939. They have 10 returning lettermen from last year, and the whole team will be all fired up for the game.

Running from the single wing the Santa Monica team will be out to win for this will be their best chance. Leading players for the Corsairs in tonight's game will be Don Stone, an outstanding end on last year's team. Mike Popovich, and Cliff Smith will hold down the tackle spots in the Corsairs line.

Other leading men of their squad are: Bud Randall, Bob Fitzgerald, Frank Morris, Buzzy Peed, Marvin Peterson, Ron Miller, Dave Miller, and Roy Wiseman. Twelve other promising newcomers will round out the team. This year Santa Monica will be without the services of Don Tallman, Bill Jordan and Ronnie Montgomery, all stars of their team last year.

Lillywhite scored three touchdowns and Carmichael displayed some beautiful broken field running to tally twice. In the first quarter Carmichael broke loose and scored the first touchdown of the game on a pass from Johnny White which he took on the 10 yard line and went over to score. McFadden missed the conversion and the Dons led at the closing of the first quarter 6-0.

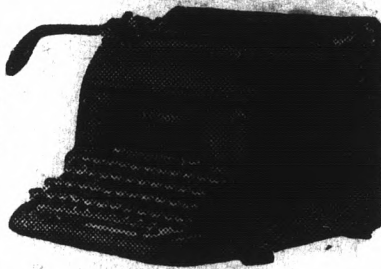

In the second quarter Cal Poly came fighting back and on seven consecutive plays they scored sending Richards over from the three yard line. Richards also converted the extra point and the Broncos led momentarily in the game 7-6. Striking back Ray Willsey on the next play after the kickoff, tossed a 10 yard pass to Carmichael on the 50 yard line and Al raced down to the 28 yard line before he could be stopped. Lillywhite then went 28 yards on the next play for the TD.

During the last half of the game Santa Ana took the main spotlight and the Dons' mighty line was out charging the Bronco's forward wall in almost every play. Cal Poly managed to score one last touchdown in the fourth quarter on a 34 yard pass from Chrissman to Williams. Lillywhite picked up two more touchdowns and Carmichael powered his way over from the three yard line to end the Dons scoring in the last half.

## STUDENTS!

Buy or rent your late model typewriter from Tiernan's. We have been specializing in student typewriter needs for over 32 years. We can really help you.
